^{no}The April meeting will be about the process and techniques for drilling and turning the barrels for pen and pencil sets. CAW member Bob Gage will bring his lathe and tools to demonstrate for us. John Russell will demonstrate his techniques after Bob. This promises to be an interesting program by expert and hidden talent in our midst.

^{ng}If you want practice or help with your cutting technique, bring a piece of wood ready to mount and your tool. Someone will be glad to work with you.

~~Please bring your new turnings to show at the meeting.~~

NOTE--Fairfax County may close the Bryant Center in bad weather. Call 703-506-2352 to find out.
