

CAPITAL AREA WOODTURNERS

MEETING: Saturday, March 12, 1994, 9:30 am
Bryant Adult and Community Education Center
2709 Popkins Lane
Alexandria, VA 22306

The March meeting will be something unusual--a different use for the lathe and some totally different technology. Frank Amigo, the energetic president of the Chesapeake Woodturners, will turn wax on a small lathe. In addition, he will describe how to build a mold, how to cast a piece of metal, and where to get supplies. Do you know what "investment" is? Do you know what "steam casting" is? Have you ever considered combining wood and metal? Come find out and let your imagination roam.

Please bring your new turnings to show at the meeting.

NOTE: As happened in February, the Bryant Center may be closed for weather reasons. You can call 703-506-2352 to make sure the county hasn't closed the schools used in the adult education programs before coming to the meeting.

Other CAW News: We may be able to have our iced-out February demonstrations in April if Bob Gage and John Russell are available.

If you have not paid your \$15 dues for 1994 yet, please send them in now with the form in the January newsletter.

Our treasurer reports that CAW had a balance of \$156.19 on Jan. 1, 1993. Dues added \$475.00 and we spent \$121.24 for newsletter expenses, \$35.00 for memberships, and \$73.40 for Bryant Center fees, leaving a balance of \$401.55 in the treasury at the end of 1993.
