

## CAPITAL AREA WOODTURNERS

MEETING: Saturday, September 17, 1994, 9:30 am  
Bryant Adult and Community Education Center  
2709 Popkins Lane  
Alexandria, VA 22306

The September meeting will be on the 17th, the third Saturday of the month instead of the usual second Saturday. Dave Hardy, a member of Bucks Woodturners in Pennsylvania, will discuss and demonstrate turning the many pieces which go into his castles. An article on his process was published in the September 1992 Journal of The American Association of Woodturners, and reprinted in the AAW Project Book. Dave is a skilled woodturner, with lots of imagination, and a personality you will enjoy. Dave will conduct a hands-on workshop Saturday afternoon, after our meeting. If you would like to attend, bring your own brown-bag lunch. We will have soft drinks available.

We will have an election of officers at this meeting. Bob Dam has been nominated for president, Jim Stewart for vice president, and Bob Kinsel for secretary. Marty Kelinsky has volunteered to stay as treasurer.

Please bring your new turnings to show at the meeting.

Other Events: The change in meeting date allows us to attend the woodturning symposium in Annapolis on September 10th. It runs three days, Sept 9, 10 and 11. Don't miss it! You can still register.

Some Annapolis turners have a show Sept. 1-26 at Anna Politan's Gallerie, 109 Main St. Annapolis (410-280-ARTS).

Turned work by CAW members will be showcased during September and October at the Artisans United Gallery. If you want to place some of your work in our show, you should take the pieces to Jim Lillie (935 Moody Court, Alexandria, 703-354-1512) or to Pat McLaughlin by the morning of September 6. Put a label on the bottom of each piece with your name and the price. Bring an inventory list of the pieces, with prices if you want to sell it. The Artisans United Gallery is located in the Fred Packard Center at 4026 Hummer Road (Rte 649) in Annandale. Turn north on Hummer Road from Duke Street (also called Little River Turnpike, Rte 236). Phone is 703-642-0862.

CAW members are strongly supporting the Wood Studio at Arrowmont with pledges to date of \$3,675, given over a 3-year period. As part of our October meeting, an auction of wood and turned objects is planned with professional auctioneer Bob Fleming. Bring wood blanks, logs, turned objects, tools, etc that you can donate to be auctioned off. Anticipating a successful event and a few more pledges from members, a \$4,000 pledge was recently sent to Arrowmont. We would like all 1994 pledges paid at the October meeting.
